

This is a list of words to be used along with Whole Numbers and Integers – Section 2: Adding and Subtracting Whole Numbers. The words students input are the words that students need to input within the software, spelled correctly, to complete a section. These words could be reviewed before starting a section and placed on a word wall.

Section 2: Adding and Subtracting Whole Numbers

Words Students Input	Words For Your Word Wall <i>(This is a list of words that students should have prior knowledge of OR they will know by the end of the section)</i>
	add partial sum hundreds tens ones sum place value column trade first thousands adjust right left subtract whole number trade difference add up count up from add up to zero kilometers quarters spent milliliters altogether
